Zenith by Elsafe

Stay Safe

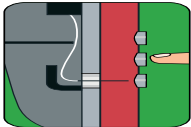

The choice of in-room electronic safes becomes easy when you can choose Zenith by Elsafe to secure your guests' belongings.

Zenith is advanced and economical security, with the industry's leading audit trail system that allows you to print out comprehensive reports on all safe activities.

Zenith by Elsafe is available in many sizes and models to complement your hotel room regardless of style and need.

Specifications

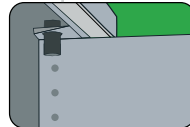

Anti-tamper labyrinths offer higher protection against manipulation.

Spring-loaded door indicates if the door is in open or closed position, avoiding guests leaving the safe open unintentionally.

Quick battery change without having to open the safe. It saves time and money.

Solid one-piece construction enhances security and eliminates access to vital components.

Sizes 27 / 43 are external depth

SafeLink:

Elsafe SafeLink helps you set up and service your Zenith safe in seconds. With Zenith by Elsafe you can even print a detailed 500-event log from the safe memory.

PinKey PLUS:

Elsafe PinKey PLUS is a compact and powerful electronic PIN-code protected, non-resident master key to securely override Elsafe in-room safes. This allows for easy day-to-day safe operations.

Outlets:

Optional internal power outlet available on Zenith 27, 43 and Wide (EURO, US and UK).
